

RESELLER OFFER!

Free fibre patch lead with every 10Gigabit transceiver!

Boost sales and margins without compromising on quality with our 10Gb fibre-optic transceivers.

And for a limited time, receive a free fibre-optic patch lead with every 10Gb transceiver purchase.

- The highest quality at an affordable price
- Over 100 switch vendors supported
- 100% compatibility Guarantee
- 3-Year advance replacement Guarantee
- 1,2 & 3m lengths available
- LC-LC connectors, LSZH cable with UPC Connector
- All leads supplied with factory test report
- Individually labelled for lead tracing

TO CLAIM YOUR FREE PATCH LEADS:

- Email claims@Plusoptic.co.uk
- Tell us what you bought and when
- Where you want your cables shipped
- We will validate your claim and contact you with confirmation.

Offer starts 20.2.2023, is for UK resellers only and while stocks last.

The leads supplied will match the transceivers you purchased (i.e., multimode or singlemode). Though we will aim to ship your free patch lead asap, please allow up to 30 days for delivery. This offer is only for UK resellers purchasing through our approved distributors.

We reserve the right to withdraw this offer at any time and without notice.
